Peace One Day

Objectives

Sponsored by mover PLASTIC FREE SPORTSWEAR

- Raise awareness of climate change and manifest climate action on a global scale
- Facilitate conversations that lead to a more sustainable and peaceful world
- Set out practical action points to help individuals and organisations engage with climate action
- To raise awareness of and provide action opportunities around a world that’s Net Zero

About Peace One Day

Sponsored by mover PLASTIC FREE SPORTSWEAR

- **Peace One Day's mission is to expose people to the message of Peace Day, 21 September. Awareness of Peace Day manifests action and action reduces violence, as we change our behaviour towards each other and our environment on and around the 21st September.**

- **Through putting out constructive narrative around the fundamental issues of Humanity's survival, we aim to inform, inspire and engage people towards action that is measurable.**

- **We are inspired by the incredible work of the Institute for Economics & Peace who have informed us that there appears to have been a 15% decrease in deaths on 21 September 2022, compared to other days in the year.**

Education Plan

Sponsored by mover PLASTIC FREE SPORTSWEAR

- Climate Action Live is an experience that informs, inspires and engages people towards action that's measurable.

- POD will be creating free lesson plans for schools around the world, that support young people to understand the contribution they can make towards a more a sustainable world.

- Its' central theme will focus on the importance of Climate Action in relation to the protection of our planet and people.

- Available on the Peace One Day website. This lesson plan will be launched on 21st June during the event.
